

French Proficiency Test – Basic/Intermediate™

Developed in Québec, this automated test assesses fundamental knowledge of written French, including spelling, verb conjugation, and vocabulary. It quickly provides an overview of language proficiency, validating a functional level sufficient for simple or occasional writing tasks. With its short format, it is particularly well suited for rapid pre-screening contexts.

FORMAT

30 multiple-choice questions

PRICE

\$35

DURATION

20 minutes

LANGUAGES AVAILABLE

French
