FACT SHEET - ONLINE TEST

English as a Foreign Language – Written and Oral Skills:

This test provides a comprehensive assessment of a candidate's English skills, both written and oral. It includes three components: writing, reading comprehension, as well as listening and speaking based on CEFR standards. Performance is evaluated based on clarity, comprehension, and overall language proficiency. The test is adaptive, and the level of difficulty adjusts to the candidate's responses. Scoring is provided instantly through artificial intelligence.

PSYCHOMETRIC QUALITIES

- The English as a Foreign Language – Written and Oral Skills test is owned and maintained by Isograd Testing Services. The Common European Framework of Reference for Languages (CEFR) is an internationally recognized standard used to assess language proficiency across clearly defined levels (A1 to C2). This test is based on this framework and places candidates on a scale up to level C1. It provides a structured and reliable reference for measuring both understanding and expression, in speaking and writing.
